

Hauser Lake Fire Protection District

Policy Statement Apparatus Use

Effective: 10 /12 /15
Revised: ___/___/___

Policy #025

Purpose: This policy establishes the purpose and uses of the District apparatus and vehicles.

Policy: It is the policy of the District that District owned apparatus and vehicles shall be utilized only for official District authorized purposes. Those purposes include emergency response, training, District authorized or sanctioned events, and business, as authorized by the District Commissioners and/or District Chief.

Approved by Lisa Wendle, Commission President, 10/12/2015
