RETIREMENT 7.00

- 7.01** Each person requesting retirement status under this policy will be considered as an individual case. When you feel you wish to drop out of the Fire Service and are in the following category(s), you may submit a letter to the chief requesting to be placed on retirement status.
- 7.02** Minimum service: ten (10) years with the Hauser Lake Volunteer Fire Department and the Hauser Lake Fire Protection District.
- 7.03** The member who has met the minimum criteria for retirement status may be granted this status for he/his remaining lifetime.
- 7.04** When retirement status has been granted, the member's name will be placed on a retirement plaque in the station.
- 7.05** At the time of retirement the member shall be recognized at an annual banquet or other appropriate occasion.
- 7.06** The retired member is entitled to attend any Department functions, including meetings and drills (s/he may not actively participate in drill activity).
