FIRE PREVENTION BUREAU

14.01 The Fire Prevention Bureau is a non-emergency entity designed to enforce the Uniform Fire Code and to raise the level of fire safety awareness in the District.

14.02 The Bureau will consist of:

1. The Fire Chief
2. A Fire Marshall or Inspector as supervisor.
3. Idaho State Certified Fire Inspectors who are members of the Department.
4. Other personnel designated by the Fire Chief.

14.03 The Bureau shall be authorized to give its official approval to any plans or permit applications that are presented to it, provided they meet the requirements of the International Fire Code, District Standards, and the Chief.

14.04 Fees for various permits and reviews shall be charged as directed by the Board of Commissioners.
